Founded in 2014, Vizyon College is a private school operated under the jurisdiction of the Turkish Ministry of Education and recognized by Microsoft as a Microsoft Showcase School. In 2019, it was selected as the best of the best amongst Microsoft showcase schools. It is the first project school of SEBIT, the most prominent education software company in Turkey, and uses artificial intelligence as a part of its curriculum. It provides one-to-one tablets to each student, encouraging them to use those tablets to enhance learning.

OUR VISION

To be a global brand that brings vision to education.

OUR MISSION

To equip our students with the knowledge and skills that will help them be happy and successful individuals throughout their lives.

SPECIAL ASPECTS OF THE SCHOOL

- Technology-supported school
- Microsoft Project school
- Play friendly school
- VTalk
- Global Schools
- National and international projects and events
- AI integrated course contents
- Interdisciplinary course design
- Sports lessons branch system
- Various club activities
- Sports, culture, art events
- The Duke of Edinburgh's Award programme studies

NEW STUDENT ADMISSION

For 9th grade new student registration, the student's score from LGS (entrance exam applied for the transition to high school) is taken into consideration. An individual interview is held with the students who meet the score requirements.

For 10th-11th-12th grade new student registration, a school admission exam is required. An individual interview is held after the exam. As a result of the individual interviews, final registration procedures are carried out for students who are found suitable for the school culture.

ACADEMIC PROGRAM

The curriculum for the class of 2023 offers classes mostly in Turkish. For 9th and 10th grades, our school provides main courses: Physics, Biology, Chemistry, History, Geography, Mathematics, Turkish Language and Literature, Religion and Ethics, Philosophy, Foreign Language (English), and Second Foreign Language (Spanish or German). The biggest credit is given to English.

After 10th grade, students choose one of the two academic tracks: Math-Science or Turkish Language and Literature (TLL)/Literature -Math. Math-Science offers advanced STEM classes, whereas Turkish Language and Literature (TLL)/Literature -Math offers advanced Turkish language and social science classes. To graduate from our school, students have to take 42 credits per week.

Over twenty clubs are offered to students each year, ranging from arts, sports, STEM, languages, and performance. Only students in grades 9 and 10 can enroll in these clubs. In addition, students are encouraged to start and lead their clubs at school.

CURRICULUM INFORMATION / GRADUATION REQUIREMENTS

Depending on the students' academic interest, they might select an intensive course on:

(1) Science and Math, which requires: Biology – 8 semesters, Physics- 8 semesters, Chemistry – 8 semesters, Mathematics – 8 semesters, and Geometry – 4 semesters or; (2) TLL and Math, which requires: Turkish Literature – 8 semesters, Psychology – 4 semesters, Geography – 8 semesters, History - 8 semesters, Mathematics – 8 semesters, and Geometry – 4 semesters.

Regardless of curriculum focus, by graduation all students have to complete a rigorous curriculum. Some of the compulsory courses that all high school students must take according to their preferred field of study are as follows:

PHYSICS	4 SEMESTERS
BIOLOGY	4 SEMESTERS
CHEMISTRY	4 SEMESTERS
MATHEMATICS	8 SEMESTERS
TURKISH LANGUAGE & LITERATURE	8 SEMESTERS
HISTORY	8 SEMESTERS
PHILOSOPHY	8 SEMESTERS
RELIGION & ETHICS	8 SEMESTERS

When evaluating a transcript of a Private Vizyon Anatolian High School applicant, please consider that all of our students follow the Turkish National Anatolian High School Curriculum. Online AP courses are offered to students who prefer.

Even though our school does not use a ranking system, it awards students with honors and distinction degrees each semester based on their final semester grade point averages. The school follows a 100-point scale system, and the final grades are calculated based on the grade point average considering the credit of each course. Criteria for interpreting a final grade can be evaluated with the system below.

POINT GRADE VALUE RANK

85 - 100	=	Excellent
70 - 84,99	=	Good
60 - 69,99	=	Average
50 - 59,99	=	Pass
0 - 49,99	=	Fail

ACADEMIC HONORS

HONOR ROLL

Given to students whose GPA is between 70-84%

HIGH HONOR ROLL

Given to students whose GPA is between 85-100%

CERTIFICATE OF MERIT

Given to students who receive consecutive high honor rolls for 3 or more semesters

CERTIFICATE OF HONOR

Given to students who participate in extracurriculars and demonstrate exemplary personal qualities alongside high academic performance

MERIT-BASED SCHOLARSHIPS

Awarded to exceptional students who demonstrate high academic achievement and intellectual promise, as well as impressive extracurricular and community involvement
